

Davy Jones's Locker (start note D)

Ship-mates o' mine, are you sleep-in' fair an' sound,
Mates fair an' foul, friend an' foe,
Ly-in' where lost ships are, -sun-ken deep an' drowned
I-n Da-vy Jones'-s lo-cker down be-low?

*In Da-vy Jones'-s lo-cker, Da-vy Jones'-s lo-cker,
Da-vy Jones'-s lo-cker down be-low:*

*Da-vy Jones'-s lo-cker, Da-vy Jones'-s lo-cker,
I-n Da-vy Jones'-s lo-cker down be-low.*

In wide seas an' narr-ow, deep seas an' shoal,
There's no stone a-bove you, -an' no bell to toll:
O-h rest for your bo-dy a-n' pe-ace to your soul,
O-h shi-p-mates a-slee-pin' down be-low.

Ship-mates o' mine, are you slee-pin' fair an' sweet,
Where's ne-ver sun to burn or wind to blow,
Sli-d o-ver side, wi' shot at 'ead an' feet
T-o Da-vy Jones'-s lo-cker down be-low?

*To Da-vy Jones'-s lo-cker, Da-vy Jones'-s lo-cker,
Da-vy Jones'-s lo-cker down be-low:*

*Da-vy Jones'-s lo-cker, Da-vy Jones'-s lo-cker,
T-o Da-vy Jones'-s lo-cker down be-low.*

Jock from Skye an' Storn-o-way, Mick from Don-e-gal,
Black skin an' white skin that an-swer the call,
O-h, rip an' rogue an' hon-est man, there's ro-om for them all,
O-h shi-p-mates a-slee-pin' down be-low.

Ship-mates o' mine, are you slee-pin' fair an' sound
While we're a-tram-pin', tram-pin' to an' fro,
Do you heed us home re-turn-in', do you bless us out-ward bound,
I-n Da-vy Jones'-s lo-cker down be-low?

*In Da-vy Jones'-s lo-cker, Da-vy Jones'-s lo-cker,
Da-vy Jones'-s lo-cker down be-low:*

*Da-vy Jones'-s lo-cker, Da-vy Jones'-s lo-cker,
I-n Da-vy Jones'-s lo-cker down be-low.*

Do you dream e'er so li-ttle o' the ship an' the crew,
O' ship bell an chan-tey, an' sea still an' blue,
An' the 'oot o' the sy-ren, an' the thre-sh o' the screw,
O-h shi-p-mates a-slee-pin' down be-low?

In Da-vy Jones'-s lo-cker, etc.
