

ROLAND GOE

Jon Heslop

When I was young I went a-broad. Way - hay Rol - and Goe. I took my comb and sciss-ors on board. With my

14 way - hay Ro - land Goe.

The image shows a musical score for the song 'Roland Goe'. The first line is a treble clef staff in 2/4 time, with lyrics underneath. The second line is a bass clef staff, also in 2/4 time, with lyrics underneath. The lyrics are: 'When I was young I went a-broad. Way - hay Rol - and Goe. I took my comb and sciss-ors on board. With my way - hay Ro - land Goe.'

When I was young I went abroad.

Way hay Roland Goe

I took my comb and scissors on board.

With my way hay Roland Goe

I was butch and I was brave.

Yoho for a life on the permanent wave.

The Captain now he don't like I,
misunderstood the term, "Blow Dry".

We've got a great big bucko mate
but his nails are in a terrible state.

The bo's'n he can stamp and swear
like a great big cuddly teddy bear.

The crew are all my special friends
since I mended their split ends.

Callio fills me with joy,
two weeks tied up to a buoy.

I wept to hear the old man say,
"One more pull and then belay!"
